SENATE PRESIDENT CORTEZ'S STATEMENT
RE: CONGRESSMAN-ELECT LUKE J. LETLOW

Following is a statement from Senate President Page Cortez regarding the death of Congressman-elect Luke Letlow:

"Luke Letlow was a bright and emerging leader in the State of Louisiana. He had the heart of a public servant and a true love for his community, state, and country. He was kind and passionate about helping others. But more than anything, he was a wonderful father, husband, and friend. His loss is a terrible tragedy on every level. Please join me as we send our deepest condolences to his wife, young children, and entire family. We pray for peace and comfort in their hearts during this difficult time."
